Azure

Value Package

Ensure you get the most value on your journey in the cloud with Ergo as your Cloud Service Provider.

In response to changes in Microsoft enterprise licensing, Value Package for Azure Plan wraps value-added services around cloud consumption solutions and provides a compelling alternative to direct Microsoft Customer Agreements.

Named by Microsoft as **'Partner of Choice'** in Ireland and winner of the prestigious Microsoft Country Partner of the Year Award in 2024, Ergo has devised a packaged plan with three big benefits

Proactive Reporting

Monthly reports on cost management, performance, security and compliance are delivered to your inbox, providing visibility of the health of your Azure environment and opportunities for optimising performance.

Advisories & Recommendations

A weekly digest of expert advisory recommendations on cost, security, operational excellence, performance and reliability includes a list of the potential benefits of taking action, ranking the impact as high, medium or low.

Azure Consultancy

Follow-up consultancy days can be arranged that leverage our extensive capabilities to provide more detailed advice from our Azure experts on cost management, cloud management, security and compliance.

Why Ergo

Winner of Microsoft's 2020 Country Partner of the Year Award and an approved Microsoft Cloud Solution Provider (CSP), Ergo has unmatched credentials.

Certified as an Azure Migration Expert under the Azure Migration Program (AMP), Ergo have secured 4 Azure Advanced Specialisations; Infra and Database Migration to Microsoft Azure, Microsoft Azure Virtual Desktop, Microsoft Azure VMware Solution and Networking Services in Microsoft Azure.

We work closely with clients, leveraging Azure to unlock cloud benefits, aligning the most appropriate solution to unique business challenges, whether it's Infrastructure-as-a-Service, Platform-as-a-Service or Software-as-a-Service.

From consultation and migration to orchestrating hybrid environments, we match Azure services to business needs, at a time and pace that aligns with each client's strategies and targeted goals, mitigating risks through our unflinching focus on performance, security and governance

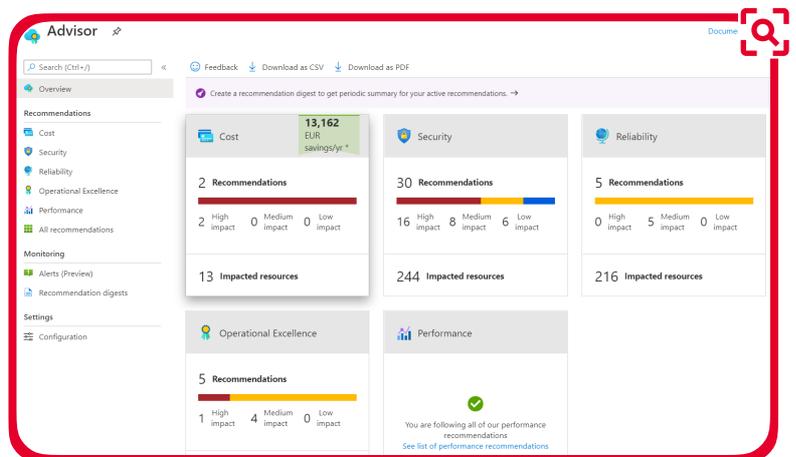

Drive Continual Improvement with Ergo's Azure *Reporting and Expert Advisory Service*

As your Microsoft Cloud Service Provider and 'partner of record', Ergo will disseminate our dashboard view of your environment via monthly reports, highlighting security vulnerabilities, compliance issues and overall cost and performance.

With our weekly digest, recommendations are presented in these five key areas

- € Cost
- ↻ Operational Excellence
- 📊 Performance
- 🛡 Security
- ✅ Reliability

Ergo will provide you with many insights & recommendations on your Azure Environment. Based on these findings you can tap into more advanced consultancy benefits to optimise the environment and further unlock your benefits to the cloud

About *Ergo*

Ergo has helped IT leaders excel at the intersection of business and technology for over three decades, becoming Ireland's largest privately-owned IT services company with offices in the UK, Europe, North, South America and New Zealand. Providing bespoke, insights-led advice, expert implementation and proactive managed services, Ergo enables organisations to become more agile, more efficient, more compliant and better equipped for long-term growth.

By recommending a strategy of proactive IT investment that aligns with each client's unique business needs, Ergo has steered clients away from risk and towards reward. Cloud is the destination, where continual cost optimisation and performance improvements are service fundamentals for Ergo, where the IT estate becomes a hub for innovation and the driver for business transformation.
